Sir,

With reference to your memo No 21401-4/R 25-82 dated the 21/4/27 calling, requesting the submission "at once" of the statement showing the result of sales of Toddy trees farms of this district for 1893-94 together with an explanation for the long delay in its submission, I have the honor

to inform you that the state-
ment was already once sub-
mitted to the Excise Commissioners
with this office letter No 1812 * (Copy enclosed)
of the 6th ultimo but it was
returned by that officer with
the remark that it was in-
complete. The only incom-
pleteness, as far as I am aware
of, is the deficit deposit-m
amount received from some
of the farmers which was duly
noted and explained in my
letter referred to above. I have
this day resubmitted the statement
to that officer with my letter
No 64 dated 8th Instant (Copy
this
also enclosed for your information).
The deficit amounts
have yet to be received from

No

two of the farmers, the amount so due being small, I have granted time till the end of the current month for its payment. But I submit the statement without waiting any longer on this account to avoid further delay.

two of them who have not
as yet paid the amount

To

Sir,

I have the honor to submit, herewith, a detailed Talukwar Statement showing the amounts realized by the Sales of Toddy Rend farms in the Taluks of the Mysore District including those of the French Rocks Sub Division, for the year 1893-94 from 1st April 1893 to the 30th June 1894.

From this it will be observed that there is an excess of Rs 426-12-0 in Nanjengud Taluk over and above the amount shown for that Taluk in the Statement forming enclosure to this Office letter No. 3274, dated 29th May 1893. This is due to certain farms in that

Taluk

Taluk which had not been finally knocked down, on the day fixed for Toddy sale, having been subsequently leased out.

The marginally noted Talukas had to be sold wholesale, as in some of them, there were no bids for separate pirkhas, and in others, the bids were so low that they could not be accepted.

The amounts payable for Inam farms in Heggadadevankote, Gundalpet, Chamrajanagar, Tirmakudlu Narsipur and Malavalli Talukas have been fixed proportionately to the amounts realized by their sales.

I have &c.

2 In regard to the Chitaldrug and Shemoga Districts the

the figures given in the Official Memo-

relating to the Inam Shops and grones

difference. A statement showing the
names of the Inam villages and the
rentals of the farms in each of them
in the Shemoga and Chitaldrug Districts,

in the Proceedings under reply are
correct. The Deputy Commissioner in his

whereof is herewith sent, states that in

4. With reference to the difference of Rs 100 in the Manjarabad taluk I beg to state that the figures given in the Deputy Commissioner's statement are correct. In the statement compiled in this office Rs 100 appear to have been excessively shown, through a clerical error.

Order thereon

with the above, the

explanation for the several
discrepancies pointed out in
Govt Endrs no 10803 Dy 4-Dec 93

regarding rentals of the Toddy

Districts of the province.

2. The Dy Comr, Chitaldroog

to give the rentals of Arrack

by the Excise Comr, but has
given them separately in
a few cases. This fact and
the omission to give them

In reply he has the
honour to state that under
the Excise Rules there
has now existed a
valuable check upon

particulars in the Statement from the Shimoga Distt do not seem to have been noticed in the Excise Comrs office before submission of the final statement to Govt.

3. It is not known how the Dyscor was justified in leaving out the rental of Jodi Holchipalli of the Kadur Taluk on the ground that the Iramdars are not entitled to the Toddy Revl. What was called for was a statement shewing the Rental of Iram shops & Grows irrespective of the rights of the Iramdars for Toddy Revenue.

4 ~~Inaccurate~~ It is observed that the figures given in ~~neither~~ Govt Proc No 10803 Dy dt 1165 4th Jany 94 and ~~not~~ D. Nrsmm No 3129-37 Dy 15th Augt 93 cannot be depended upon in as much as the Excise Comrs reports

similar discrepancies in the

for the Districts of Impose,
